RESTRICTED SUBSTANCE LIST (RSL)

ASSESSMENT CERTIFICATE

This Article/product has been assessed for RSL compliance based on information provided by the customer. This certificate applies only to those articles described in this report i.e. **POLYESTER FUSIBLE INTERLININGS**. This article complies with the requirements of the current applicable RSL list issued on January 2016 and that it does not contain any substance listed in RSL at levels greater than the requirement mentioned in RSL list. Any subsequent variation in the production of this article/product (This includes changes in raw materials, chemical usage or processing) invalidates this assessment/certification. This certificate becomes invalid as soon as the next version of RSL list comes into force.
